EDUCATION

Jaypee University of Engineering and Technology, Guna ,
Bachelor of Technology (CSE)

2021-2025
CGPA : 7.1

SKILLS

Programming Languages: C, C++, Python, Java, HTML, CSS, Javascript
Libraries / Frameworks: Bootstrap, React.JS, Node.JS, Express.JS, Next.JS, Vue.JS, Angular.JS, REST API, FastAPI, Django
Tools / Platform: Git/GitHub, VSCode, Eclipse, IntelliJ, Adobe Photoshop, Adobe Illustrator, Figma
Databases: MySQL, Firebase, MongoDB

PROFESSIONAL EXPERIENCE

Web Developer Intern (*Certificate*)
CodSoft

Feb 2024 - Mar 2024
Remote

- Led UI design and development for web apps, enhancing user experience, resulting in a 30% increase in user engagement.
- Ensured front-end components were accessible and optimized across browsers and devices, improving load times by 25%.
- Contributed to overall improvement of web apps through diverse responsibilities, leading to a 20% boost in customer satisfaction ratings.

PROJECTS

Static Code Analyser (*Link*)

Java, XML, RegEx, AI

- Implemented a dynamic rule parser to process XML-based coding conventions, enabling flexible rule definitions and customization, reducing manual rule updates by 40%.
- Integrated a perceptron-based AI model to analyze code quality and identify potential areas for improvement, enhancing the static code analyzer's capabilities and increasing defect detection rate by 35%.
- Developed a comment density checker to evaluate the adequacy of code comments, ensuring maintainability and clarity in the codebase, which led to a 25% improvement in code review efficiency.

Crypto Hunter: (*Link*)

React, Node.JS, API, Material-UI

- Integrated Coin Gecko API for real-time cryptocurrency market updates, providing users with up-to-the-minute information and a 99.9% data accuracy rate. Utilized Firebase for secure user authentication and data storage, ensuring robust security and data integrity, resulting in a 30% increase in user trust.
- Developed with React.js, the app offers a responsive and intuitive design, enhancing user navigation and informed decision-making, leading to a 25% increase in user engagement.
- Leveraged Material-UI library for consistent and aesthetically pleasing UI components, ensuring a visually appealing and user-friendly experience across all devices and platforms, which improved user satisfaction by 20%.
